There are scary stories that we've
all heard at least once in our lives

It's possible that they all began...

...with stories told to us by ghosts.

Mid-1980s

Ah! So that's
where you
work—

Ah, yes...
yes...

I heard that
it gets pretty
busy...

Then what do you
usually do in your
spare time?

Yes... well...

Oh! You like to read books!

I love that book!

The author...

**I DON'T!
I HATE IT, ACTUALLY!**

I just got it as a gift!

In any case, I'll be back. I've got to use the restroom!

Sure, I'll just wait here.

Will I suddenly be really pretty and chased by all the guys?

Or will I suddenly become so rich I won't need a man anymore?

He said there would also be a misfortune.
